Philadelphia, PA – Join ASHM & [Liquid Alchemy Beverages](http://www.liquidalchemy.com) for the release of our special limited-edition cider collaboration, *Rambo's Revival* – New Sweden Apple & Lingonberry Hard Cider! This cider combines historic tradition with a modern Scandinavian lingonberry twist. It's truly unique because it features heritage Rambo apples grown on the Museum's apple trees. This apple species traces its origins back to the early 1600s when it was brought to the New Sweden Colony by Peter Gunnarsson Rambo.

Liquid Alchemy co-founders Jeffrey Cheskin and Terri Sorantino will also give a talk about the apple cider-making process.
